## **PES Tips**

#### Tips and Tricks to Make You a PES Pro

As of April 30th, 2024, we have archived all previous versions of PES Markets. This was done to help streamline your experience, as well as to provide you with easy access to our latest features. If you require continued access to the legacy version of PES Markets beyond this date, please <u>contact our Customer Success Team</u> as soon as possible. They will work with you to explore alternative solutions that meet your specific needs.

## What's New?

#### Learn About Our Latest Offerings!

#### **New AI Reporting Tool**

- Join us next Tuesday, May 7 at 2 pm ET for an informative webinar that will unveil the new AI Reporting tool now included in your PES subscription.
  - **Improve Data Interpretation and Decision-Making:** Gain a deeper understanding of your data with clear summaries and visualizations,

simplifying academic program evaluation and saving time and resources.

- Unlock Data Insights for Everyone: The PES AI reporting tool empowers non-technical users to access valuable insights by transforming complex data from the PES Markets Scorecard into clear, concise reports with a click of a button.
- Streamline Accurate Program Reporting: Simplify academic program reporting with the PES AI tool, saving time and resources while focusing on strategic initiatives.
- Click here for an interactive guide

#### Predict Program Size now includes pro forma financials!

• Predict Program Size recently received a major update, and now features the ability to create pro forma financial projections. This update allows you to quickly model the financial impact of starting new programs or growing your existing programs.

- For more detailed information you can find written details here.
- For a detailed walkthrough of the system here is a <u>link to a recent webinar</u> discussing this update.

# What's In The Works?

### A Behind-The-Scenes Look at What's Coming Soon!

- Enhanced navigation to guide you to the relevant data and dashboards for your use cases
- Live AI text summaries alongside visualizations for guided interpretation

Your success is our top priority! Whether you have questions or just want to chat, don't hesitate to reach out. Join us in our <u>daily office hours</u> or email us directly at <u>support@graydi.us</u>. We're here to help you thrive!
